

Unity Airways — Check-in & Boarding

Document ID: UA-POL-05 · **Effective date:** 1 January 2026 · **Applies to:** Unity Airways (UA) marketed and operated flights

Unity Airways is a fictional airline used for training and demos. All times below are illustrative.

1. When check-in opens

- **Online and mobile-app check-in** opens **24 hours before** scheduled departure and closes at the airport cutoff below.
- **Airport counter and kiosk check-in** opens **3 hours before** departure.

2. Check-in cutoff times

You must be **checked in** by the cutoff below, or your seat may be released:

Flight type	Check-in cutoff (before departure)
Domestic	45 minutes
International	60 minutes

For a **domestic morning flight**, the check-in cutoff is **45 minutes before departure** — for an 8:00 AM departure, be checked in by **7:15 AM**. Add time for bag drop and security.

3. Bag-drop cutoff

If you are checking a bag, drop it at the counter by:

- **Domestic:** 45 minutes before departure
- **International:** 60 minutes before departure

4. Boarding

- **Boarding begins** approximately **40 minutes** before departure.
- The **boarding gate closes 15 minutes before departure**. Travelers not present when the gate closes may lose their seat.
- Boarding proceeds by **group number (1–6)**, printed on your boarding pass:

Group	Who
1	First, Business, top-tier elite
2	Premium Economy, mid-tier elite
3–5	Main Economy, by seat zone (rear first)

Group	Who
6	Basic Economy (boards last)

Basic Economy travelers board in the last group and are not eligible to select a seat in advance (a seat is assigned at check-in), so a carry-on may need to be gate-checked if bin space is full.

5. Structured summary (for quick reference)

- **Effective date:** 2026-01-01
- **Online check-in opens:** 24 hours before departure
- **Check-in cutoff:** 45 min domestic / 60 min international
- **Gate closes:** 15 minutes before departure
- **Boarding groups:** 1–6 (Basic Economy in group 6)

Unity Airways is a fictional airline created for Databricks GenAI training and demos. This document is illustrative and not a real airline policy.
