Unity Airways is a fictional airline used for training and demos. All fare rules below are illustrative.

1. Fare families and booking (class) codes

Unity Airways sells five fare families. Each maps to one or more single-letter **booking class codes** shown on your ticket and in the reservation system.

Fare family	Booking class codes	Notes
Basic Economy	E, N	Lowest fare, most restricted
Main Economy	Y, B, M, Q , H, K	Standard economy; Q is a discounted Main Economy fare
Premium Economy	P, A	Extra legroom, priority boarding
Business	J, C, D	Lie-flat on long haul
First	F	Top cabin

2. What each fare family allows

Rule	Basic Economy	Main Economy	Premium Economy	Business	First
Seat selection	Paid only	Included	Included	Included	Included
Voluntary changes	Not allowed	Allowed (fare difference)	Allowed (fare difference)	Allowed	Allowed

Change fees were eliminated on Main Economy and above. You still pay any **difference in fare** when you change to a more expensive flight, but there is no separate change penalty. **Basic Economy tickets cannot be voluntarily changed at all** after the 24-hour window.

3. Upgrades

- **Paid upgrades** may be offered at booking, at check-in, or at the gate, subject to availability.
- **Mileage upgrades** are available on Main Economy (fare classes Y, B, M) and Premium Economy; **Basic Economy (E, N) and the lowest Q-class fares are not upgrade-eligible.**
- Complimentary elite upgrades clear in status order starting 120 hours before departure.

4. Fare combinability and validity

- Tickets are valid for **12 months** from the date of issue.
- Round-trip and multi-city itineraries may combine different fare families per direction; the most restrictive rule applies to each flight coupon.
